### And What Have You

By BOB CRAIG

From the looks of the crowd at the scrimmage here Friday evening I would say that Hamlin fans are ready for another football season to get underway. What with pro football starting as early as it does it makes it hard to wait for high school football to get underway.

I think that everyone, including the coaches, found many bright spots for the Pipers in the scrimmage Friday. Of course there were many weaknesses that showed up too, but that is what a scrimmage is for. It is hard to get a team together this early when you have to field as many young kids as Hamlin will be playing this year.

These kids still have two weeks to work out the problems that were apparent in the scrimmage before they play their first game. Since these are mostly young kids they can learn a lot in two weeks.

Sometimes it is hard to get a true picture of a team in a controlled scrimmage because the ball doesn't change hands like it does in a real game, the kicking game is missing and some of the breaks of the game are eliminated. But already it is possible to tell that the Pipers should be an exciting team to watch this year as they already have a lot of offense showing up.

Local fans of Jesse Powell, the Miami Dolphin linebacker who coached here last spring, were disappointed that he did not get to play more than he did in the televised game Saturday evening. But he was quite impressive when he was in there.

With the pro teams looking at a lot of people just before making a major cut in the squad it is hard to guess what Jesse's status is, but apparently he has a place on the team since he was the captain of the special team for kickoffs and punts. Not having any inside information it is hard to tell if he will be a starting linebacker or will be playing as a backup linebacker.

It may be hard to get an answer to this question until the regular season gets underway later this month.

I have noticed that lately there have been a number of syndicated writers who have been doing a satire on the terminology used by the government and other do gooders in describing or labeling those on welfare or those below average.

They point out that nobody is poor anymore, they are underprivileged. There are all kinds of words used to take the place of welfare and the list goes on and on.

Well I ran across a new one the other day that they can add to their list — "Exceptional Children." Now you might think like I did that this would be those children who are above average, but it is not. It is used to describe those children who are below average and in need of help.

I suppose that since these children are only a small part of the group you can say they are an exception and therefore are exceptional children. But then what do you use to describe those who are above average — the gifted child?

I have to agree with most of the writers — it seems that if our bureaucracy cannot solve a problem they try to hide it by changing its name. Of course they always accompany this change in title with a long foggy sounding statement of policy to cover everything up.

An example: "The purpose of developmental early childhood education programs for exceptional children, is to provide instructional educational services to children who are ages three, four and five years old who may be predicted to experience academic problems upon entering

THE KEYS TO THE OFFICE — John Scarborough presents Mrs. L. C. (Peggye) Bonds the keys to the office of the Hamlin Board of Community Development Tuesday morning. Mrs. Bonds was named Executive Secretary of the BCD at a called meeting of the Board of Directors Saturday morning. Scarborough is president of the organization.

## Mrs. L. C. Bonds Named BCD Executive Secretary

Mrs. L. C. (Peggye) Bonds was named Executive Secretary of the Hamlin Board of Community Development by the Board of Directors in a called meeting in the BCD office Saturday morning, according to John Scarborough, president.

Mrs. Bonds met with the board in a called meeting Tuesday morning to begin her new duties. She replaces Mrs. Ned Moore, who resigned as secretary in August after the BCD for a number of years.

Mrs. Bonds, who has been a member of the BCD for a number of years and has served as a director of the organization in past, took over the duties of the office Sept. 1.

The wife of L. C. Bonds, she has been active in the church, civic and school affairs of Hamlin. She is a member of the First United Methodist Church where she is adult coordinator in the Church School, and a member of the Eastern Star, the Xi Gamma Pi Chapter of Beta Sigma Phi and is a delegate to the Woman's Forum.

A mother of four boys, she has

been active in scouting, P-TA and school affairs.

In seeking the position, Mrs. Bonds stated, "I like people and enjoy working with others on worthwhile projects, therefore I would deem it a privilege to devote as much time as possible to promoting the work and trying to enlarge the membership of the BCD."

Scarborough expressed the board's delight in finding someone of Mrs. Bonds' abilities to take over the duties of Executive Secretary and urged the people of Hamlin to

### Local P-TA Group To Hold Meeting Tonight At 7:30

The Hamlin Parent-Teacher Association will meet tonight (Thursday) at 7:30 in the primary cafeteria.

All parents, especially the fathers, are urged to attend the opening meeting. A get-acquainted hour is planned and refreshments will be served.

Mrs. James Stewart, newly elected president, has announced that all parents and teachers are invited and urged to attend. She said, "Because men are parents, with an emotional investment in their children, and because education is among the critical issues of our times, the PTA would especially like to extend an invitation to the fathers to attend the meetings and take part in the association."

Theme for the meeting tonight will be "Schools Can Be Community Centers." Entertainment will be presented by Marilyn Stewart, Mrs. Dick McAnally and Mrs. Cleburn Murdock.

Mrs. Bill Davis will give the thought for the month.

The opening prayer will be given by Rev. Howard J. Jones.

The superintendent of schools, C. F. Cook, will be introduced by Mrs. Stewart.

### Hamlin to Close For Labor Day

Most Hamlin businesses are expected to be closed here Monday for the Labor Day holiday.

Labor Day is one of the regular holidays set by the Retail Trade Committee of the BCD.

The Hamlin Schools will also be closed for the holiday, according to C. F. Cook, superintendent.

Haves — and have nots — are the second stage. The first stage is duds and duds.

join with the board and Mrs. Bonds in making both the organization and Hamlin grow and prosper.

CHALK TALK ARTIST TO APPEAR — Doug Wood, a Hardin-Simmons senior, will be the guest speaker for the downtown youth rally to be staged at Southwest Third Street and South Central Saturday at 7:30 p.m. An art major and Bible minor from Dumas, he uses chalk talks in his services to help make a bigger impression of God's word. "It's more real and personal than if they were to hear a sermon," he says. Plans for the youth rally are being developed through a cooperative effort of several churches. Several special music groups, both local and out of town, will be featured. A special sound system will be installed for the event.

### Enrollment Down Here

Enrollment in the Hamlin Schools is down about 20 students from last year, making a total of 849 in school, according to C. F. Cook, superintendent. He said that grades second, fourth, and eighth are below average, accounting for most of the drop.

The third grade is the largest class with 80 students and the second grade is the smallest with 53. This does not include special education with 11 students and kindergarten with 27, which are of limited enrollment.

There are 67 first grade students this year, 53 second, 80 third, 54 fourth, and 72 fifth.

In junior high there are 74 in the sixth grade, 72 in the seventh, and 64 in the eighth.

The freshman class, with 78, is the largest class in high school. There are 72 sophomores, 69 juniors and 58 seniors.

## Booster Club to Host Ice Cream Supper Monday

The Pied Piper Booster Club will open its new year with an Ice Cream Supper Monday evening at 7:30 in the High School Cafeteria, according to James Rodgers, president. Rodgers said all of the high school football players will be

### Pied Pipers To Scrimmage At Aspermont

The Hamlin Pied Pipers will scrimmage the Aspermont Hornets Friday evening at 7:30 at Aspermont, according to Coach Deane Wright. This will be the final scrimmage before the Pipers open their season here Friday, Sept. 10, with Winters.

Both the varsity and the junior varsity are expected to take part the Friday scrimmage.

Coach Wright said that after looking at the film of the scrimmage last Friday against Seymour that the coaching staff was well pleased with the progress of the boys, but added that they still had a lot to work on before their opening game.

The Junior Varsity will open its season here Thursday, Sept. 9, with Haskell at 7:30.

guests of the club and a special invitation has been extended to all parents of the boys.

The Booster Club opened its annual membership drive here last Friday evening at the Hamlin-Seymour scrimmage. Family memberships in the organization are being sold for \$5.00.

Green and White bumper stickers, "Hamlin Pied Pipers — Go Mean Green," went on sale this week for \$1.00. The

high school cheerleaders and officers of the club are now selling the bumper stickers.

The football players and their coaches will be introduced at the meeting Monday evening, a report on the opening game for the Pipers with Winters will be given by the coaching staff, and a film of the Piper scrimmage will be shown.

Rodgers said he has set a goal of 200 members for the Booster Club this year.

## Deadline Friday to Enter Labor Day Golf Tourney

Charles Connally, president of the Hamlin Country Club, reminded all local golfers that Friday was the deadline to enter the Labor Day Golf Tournament to be held here Monday.

The tourney is for all Hamlin golfers and members of the Country Club. Connally said that the golfers did not have to be members of the club, but did have to live in Hamlin or the immediate area if they were not members.

A covered dish dinner is being planned for Monday evening rather than at noon as an-

nounced last week. All those interested in the dinner are urged to bring a dish and take part.

Connally again issued a special invitation to all local youngsters, 12 and over to take part in the tourney.

Trophies will be awarded in each flight with the entry fee set at \$5.00. Qualifying scores must be turned in at the club house by Friday at 6 p.m. The tourney will be 27-holes with nine holes being played in the morning and 18 in the afternoon.

### Fund Drive for Yule Decorations Now In Progress

The fund drive to raise money to re-build the Christmas decorations for Hamlin is now in progress, according to Charles Reed, chairman of the Retail Trade Committee of the Hamlin Board of Community Development.

He said that most of the businesses had been contacted by the special committee with the balance expected to be contacted by the end of the week.

Reed also said that since a number of individuals have expressed an interest in contributing to the fund that anyone wanting to donate should contact Cliff Reynolds, Ellis West or himself.

Reed said that the response had been good and that it was estimated that it would take about \$500 to re-build all of the decorations.

Mr. and Mrs. Jerry Wayne Adkison are parents of a girl, Tami Dawn, born Aug. 26 at 2 a.m. She weighed 5 lbs. 11½ oz.

"GO MEAN GREEN" — C. F. Cook, superintendent of Hamlin Schools, buys one of the first bumper stickers being sold this year by the Pied Piper Booster Club. Cook made his purchase from Shelley Holtz, Hamlin High School head cheerleader. The cheerleaders are helping the Booster Club sell the stickers. Looking on are other cheerleaders, Ken Shira, Stephanie Willingham and Becky Wright. James Rodgers, president of the Booster Club said that the stickers were being sold by the cheerleaders and officers of the organization for \$1.00.

# Local Homemaking Program Now Offering New Courses

The Homemaking program has a new appearance this year with the addition of a new teacher and two new courses. Mrs. Edith Carter and Mrs. Kay Taylor will be the homemaking teachers for the 1971-72 school term. Mrs. Carter will teach Homemaking I, Consumer Education, and Home Economics Cooperative Education. Mrs. Taylor will teach Homemaking I, II, and III, and will sponsor the local Future Homemakers of America Chapter.

Consumer Education is a new course never before offered at Hamlin High School. It is a semester course which replaces economics. Mrs. Carter has begun the semester by familiarizing the students with the terminology used in consumer education. Twenty-five senior students are enrolled in the course. They are Terry Bailey, Billy Boil, Yvonne Castle, Herminia Chavez, Crystal Cheshire, Frances Collins, Rickey Covington, Mike Donham, Martha Ellison, Bryce Fowler, Jan Gardner, Mary Jane Gonzales, Billy Jack

Kerns, Florence Lopez, Gilbert Lujan, Shelton Marshall, Fernando Rangel, Larry Robertson, June Roddy, Ann Spalding, Harold Smith, Frieta Stewart, Virgil Turner, Sandra Tyler, Dale Walden, Jackie Warner and Arthur Vanzandt.

Another new course being initiated this year is Home Economics Cooperative Education (HECE). The students taking this course will attend classes one-half day, including a special class in HECE, and then will work for a minimum of fifteen hours a week in a business or home in Hamlin. Students began work on Monday, Aug. 30. Students participating are Terry Bailey, Joy Burleson, Frances Collins, Johnny Cork, Martha Ellison, Mary Joe Martinez, Sandra Tyler, Kenneth Williams, Latrese Williams and Vonda Woolf.

In Mrs. Carter's Homemaking I class, students have begun with a unit on Foods and Nutrition and are presently studying "Food Needs For the Body." The twelve freshmen enrolled are Beverly Carter,

Mary Collins, Teresa Crowe, Peggy Farnsworth, Patricia Lee, Anita Ledbetter, Brenda Light, Cynthia McMillan, Janet Moran, Vickie Ponder, Debra St. Clair and Consuela Rangel.

Mrs. Taylor is teaching two Homemaking I classes, and both are studying a unit on Family Relations. Students are presently discussing "Understanding Yourself and Others." Freshmen girls taking these courses include Rita Casey, Elberta Cork, Carolyn Dockins, Carmen Fuller, Lynda Harrison, Debbie Hix, Judy Holden, Kathy Hooper, Pamela Lee, Cheryl Lewis, Kimi Mehaffey, Janice Miller, Alice Morales, Elva Quintanilla, Olga Rivera, Margie Roddy, Rebecca Server, Sonya Williams and Stephanie Willingham.

"Wardrobe Planning" is the point of emphasis in the Clothing and Textiles unit now being studied in Homemaking II. Students include Sharon Bockman, Diane Ford, Luann Shira, Mignon Williams, Piper Willis and Vonda Woolf.

## Former Resident Named Friona Top Young Woman

Mrs. Kenneth Ferguson of Friona, a former Hamlin resident, has been selected Outstanding Young Woman for 1971 by the New Horizon Junior Study Club in Friona. She was nominated by the organization earlier this year on the basis of her achievements.

Complete biographical sketches of all nominees will be featured in a national volume, "Outstanding Young Women of America," to be published in November.

These women are now in competition for their state's Outstanding Woman of the Year award.

The outstanding Young Women of America program, now in its seventh year, was conceived by the leaders of the nation's major women's organizations. The program recognizes young women between the ages of 21 and 35 for their contributions to the betterment of their communities, professions and country.

Mrs. Ferguson is the former Helen Moore, daughter of Mr. and Mrs. William Moore. She is a 1967 graduate of Hamlin High School and was employed by the State Department of Health in Abilene before moving to Friona last year, where her husband is associated with the Soil Conservation Service. They have a son, Christopher Wayne.

## Mrs. Newell King Hosts Ruth Class Meeting Tuesday

Mrs. Newell King was hostess for the Tuesday afternoon meeting of Ruth Sunday School Class of Central Baptist Church. Mrs. Eddie B. Hopper, president, presided. Mrs. Opal Goodgame led the class song and Mrs. King gave the opening prayer.

Mrs. Goodgame, Mrs. Floyd Wallace, Mrs. M. L. Haught and Mrs. Jess Treadwell were named to the nominating committee to report at the September meeting.

Mrs. R. Y. Cloud gave the Bible Quiz. Mrs. W. J. Stewart presented the devotional on the fourteenth chapter of John.

Secret Pals were revealed. The class voted to bring contributions for the Lottie Moon Christmas offering to the meetings each month until Christmas.

## Mrs. Curtis Payne Honored With Gift Tea Here Recently

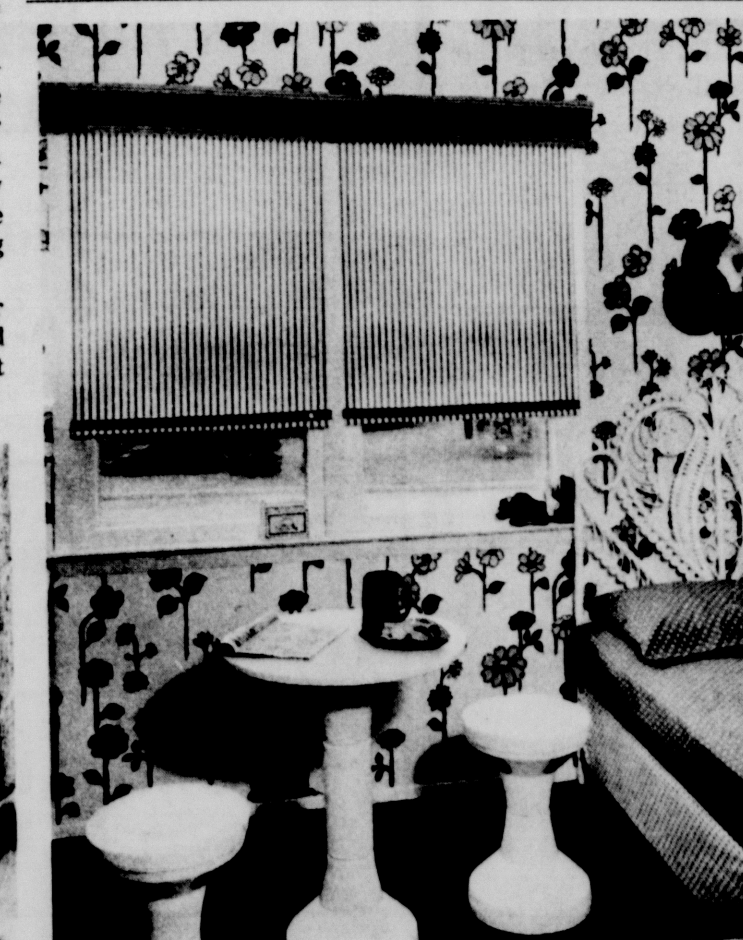

Mrs. Curtis Payne, the former Stella Kelly, was honored prior to her marriage with a gift tea in the home of Mrs. Jeff Willis, Aug. 14.

The serving table was covered with a white and yellow cloth and centered with a bouquet of daisies.

Guests were greeted by Mrs. Willis and presented to the honoree; Mrs. W. N. Brown, mother of the honoree; and Mrs. Benson Payne, mother of the bridegroom.

Hostesses were Mes. Willis, David Wade, Cal Sewell, A. B. Maynard, Rex Reynolds, Young Bill Maddox, Chester Jenkins, Shirley Casey and Miss Sandy Smith.

The couple exchanged marriage vows in Anson Tuesday morning, Aug. 31.

## NEWS FROM . . .

# Old Glory

By Bernice D. White

Mrs. Manita Newman has returned from a trip to California where she visited in the home of two of her sons and families, the Noel Keith Newmans and the Jim Delton Newmans. She made the trip with her daughter and family, the Billy Lackeys of San Antonio. The Lackeys have spent several days here visiting with Mrs. Newman and also Mrs. H. E. Carr, who is a patient in the hospital in Aspermont, as well as his parents, Mr. and Mrs. Bill Lackey in Aspermont.

We extend congratulations to Mrs. Carr who observed her 91st birthday last week. Others from out of town who have been here visiting with her and Mrs. Newman have included Mrs. Jimmie Lea Carr and daughters Merry Nell of Palestine and Mrs. Maxine Williams of Tulsa, Okla.; Mrs. Elmore Thomas of Mineral Wells and Mrs. Bishop Camper of Roswell, N. M.

4-H CLUB

Old Glory 4-H'ers and their parents enjoyed a picnic at the Stamford Park on Friday evening Aug. 20. The group gathered at the George Rhoads' home and then drove to Stamford for the picnic and then attended a show. Adult leaders in charge were Mrs. Eddie Jones and Mrs. George Rhoads.

Mr. and Mrs. Herman Dugan have returned from a vacation trip in the Galveston, Fort Worth, Comanche and Odessa areas. They reported a real nice

time. The J. V. Ritenour family were dinner guests in the George Rhoads home last Sunday. Mr. Ritenour is minister of the Old Glory Church of Christ and was back last Sunday after being on vacation for three weeks.

Visiting here with Mr. and Mrs. Delos Callicotte this week were his sister and husband, Mr. and Mrs. Bob Fotheringham of Hereford.

Ricky Suggs of Hobbs, N. M., was a dinner guest in the home of Mr. and Mrs. C. T. Pierce, Debra and Denise last Sunday.

An interesting article and pictures of Mrs. Herbert Lammert and three of her grandchildren appeared in last Sunday's Abilene Reporter. Also the Lammert's son, Danny Ray has dressed up his Route 1 column in the Abilene paper, has his picture up there, and it makes it seem almost as if he were talking to you.

Visiting with Mr. and Mrs. Lynn Flowers last Sunday was her sister, Mrs. Hazel Overton of Stamford. Mrs. Overton attended church here with Mrs. Flowers Sunday morning.

On Friday evening Mr. and Mrs. Joe Hudspeth of Hamlin visited with Mr. and Mrs. Lynn Flowers.

Mr. and Mrs. Marvin Letz of Haskell were here Sunday visiting in the home of Mr. and Mrs. Herman Letz. They attended church here Sunday morning, along with Mrs. Letz.

# Wedding Hints

Planning a wedding? These tips on getting information to the Hamlin Herald office should be followed.

1. Two pictures of the bride will be used only if the engagement is announced six weeks prior to the wedding. A one column picture will be used with the engagement announcement and a two column picture will be used with the wedding.

2. Only black and white prints will be used. A billfold size for the engagement picture is adequate. A 5 x 7 or 8 x 10 is suitable for the wedding picture. Glossy prints are preferred.

3. Wedding information and picture should be turned in before the wedding or on Monday immediately following a wedding that occurs Wednesday through Sunday. Monday and Tuesday evening

weddings should be reported no later than Monday. Information that is to be sent to a daily publication should be in the Herald office one week prior to the wedding date.

4. Information and picture received three weeks after the event will not be published. A brief announcement of the wedding will be used after three weeks.

5. Wedding stories and pictures are used when either the bride or groom is a resident or former resident of Hamlin. Grandchildren of residents may choose either to have a picture with cutlines or a wedding story.

6. Information blanks for engagements, weddings and anniversaries are available at the Herald office.

FROM THE FILES . . .

FORTY FIVE YEARS AGO  
(August 31, 1928)

Tuesday evening at seven o'clock the Hamlin Rotarians and Rotaryans were guests of the Stamford Rotary Club. The Country Club grounds was the scene of the delightful evening. Hamlin Club was there almost to a man with his wife, except those wives who are away from the city and excepting the case of Elmer Rodgers and Homer Massey, who are the bachelors of the Hamlin gang. But Elmer and Homer were there when it came to the eats, for it was noticed that each of them consumed enough barbecued beef and chicken, potato chips, 'pop' and ice cream to make up for the absence of a wife.

After the games the guests were invited to the beautiful club house where songs were heard for the remainder of the evening. And the Hamlin Rotarians and Rotaryans bade their hosts a fair good night with 'exuberant' expressions of the good time enjoyed.

This Friday marks a new day for Hamlin. We are putting on our 'Sunday' looks for our thousands of visitors.

Hamlin is twenty-two years old and a 'humdinger' Hamlin has not got everything but she has lots of desirable features many Texas towns have never enjoyed.

Hamlin swings a wide open door of welcome. Look us over, then when you return to your good homes don't forget us. Tell all the good things and forget the bad.

Today we celebrate the discovery of oil in our neighborhood and the coming of gas to our City. This makes a fine combination. We are glad, we are happy.

TWENTY YEARS AGO  
(September 7, 1951)

It finally rained at Hamlin! In fact, a rain of 5.31 inches was recorded first of the week by the rain gauge maintained by the city water department, as reported by Bill Rountree, water superintendent.

But that was just a good shower compared with the real downpour recorded just east of Tuxedo where more than 12 inches of rain was recorded from early Tuesday through Wednesday midnight. Maybe we should now tell you that the rain was recorded just exactly a year ago. That was one of the items quoted in the new column, "Recalling Other Years" found on page two of your revamped Home Town Paper.

If you have not been reading the new department, we believe it will be interesting to you.

The business quarters formerly occupied by Mary's Style Shop have been extensively refinished on the interior and A. C. Hall is preparing to open with his paint and wallpaper store at that site.

A partition was added between the front and rear portions of the building and this was papered with one of the Hall's latest stock patterns.

Neinda Philosopher Says Airlines Losing Money On Politicians Need to Catch On

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One sounds about half-way serious this week.

Dear editor:  
Every time somebody gets taken advantage of, somebody wants to pass a law to stop it, and it was with amazement I read an article in a newspaper last night that Congress is considering a law to keep airlines and telephone companies from losing money by prohibiting them from extending unsecured credit to political candidates.

The reason is that the airlines are stuck with more than 2 million dollars in unpaid debts by political candidates and their campaign organizations, and the telephone companies have nearly \$400,000.

The article pointed out that the debts cross both political

party lines, and in addition to the Democratic and Republican National Committees, debtors include Richard Nixon, Hubert Humphrey, the late Robert Kennedy, and Eugene McCarthy, the unpaid debts running into the thousands of dollars.

So, Congress is considering passing a law protecting the airlines and telephone companies by prohibiting them from extending credit to candidates.

We've got so many laws now I don't guess one more will hurt anything, but it's too bad the airlines and telephone companies aren't smart enough to catch on like newspapers did years ago.

It didn't take newspapers more than one political campaign 50 years ago to find out the most uncollectable debt on earth is one owed by a defeated

The larger quarters will permit a better display of Hall's specialties and provides a more convenient shopping point for Hamlin trade.

Response to the X-ray survey for the presence of tuberculosis infection which was held at the Hamlin Motor Company over the Thursday, Friday and Saturday period of last week, was not up to the former standard for Hamlin. Late figures were that approximately 1,000 were examined in the three-day program.

Fifteen hundred were examined in last year's campaign.

TEN YEARS AGO  
(September 7, 1961)

D. C. Andrews and the Piper coaching staff know very little about Seagraves, the Piper's opponent this Friday night.

About all that is known is that they have a big 205-215 pound fullback and a big strong tackle. They run from the Wing T formation and are ranked number seven in the state among class A clubs.

Seagraves was open this past week and the coaches have not had a chance to scout them. They finished the season last year with a 9-0-1 record.

Game time for the non-conference game is 7:32 p.m. No tickets will be available here for the game but can be purchased at the gate.

Word here is that the best way to Seagraves is to go from here to Snyder, to Lamesa and then to Seagraves. Take State highway 137 out of Lamesa to Welch and then State 83 into Seagraves.

The first meeting of the Parent-Teachers Association will be held at 7:30 p.m. tonight (Thursday) in the primary cafeteria.

Introduction of the superintendent principals, teachers and board members will be made at this time. The Rev. Spencer Lyles, new minister of the Foursquare Church, will give the invocation and meditation.

A get acquainted tea is to be held following the meeting.

New officers will be elected for the Jones County Second Sunday Singing group meeting to be held at the Hanna Baptist Sunday at 2 p.m.

W. E. Thompson of Anson, president, urges everyone interested in good gospel singing to attend.

regular elementary school programs."

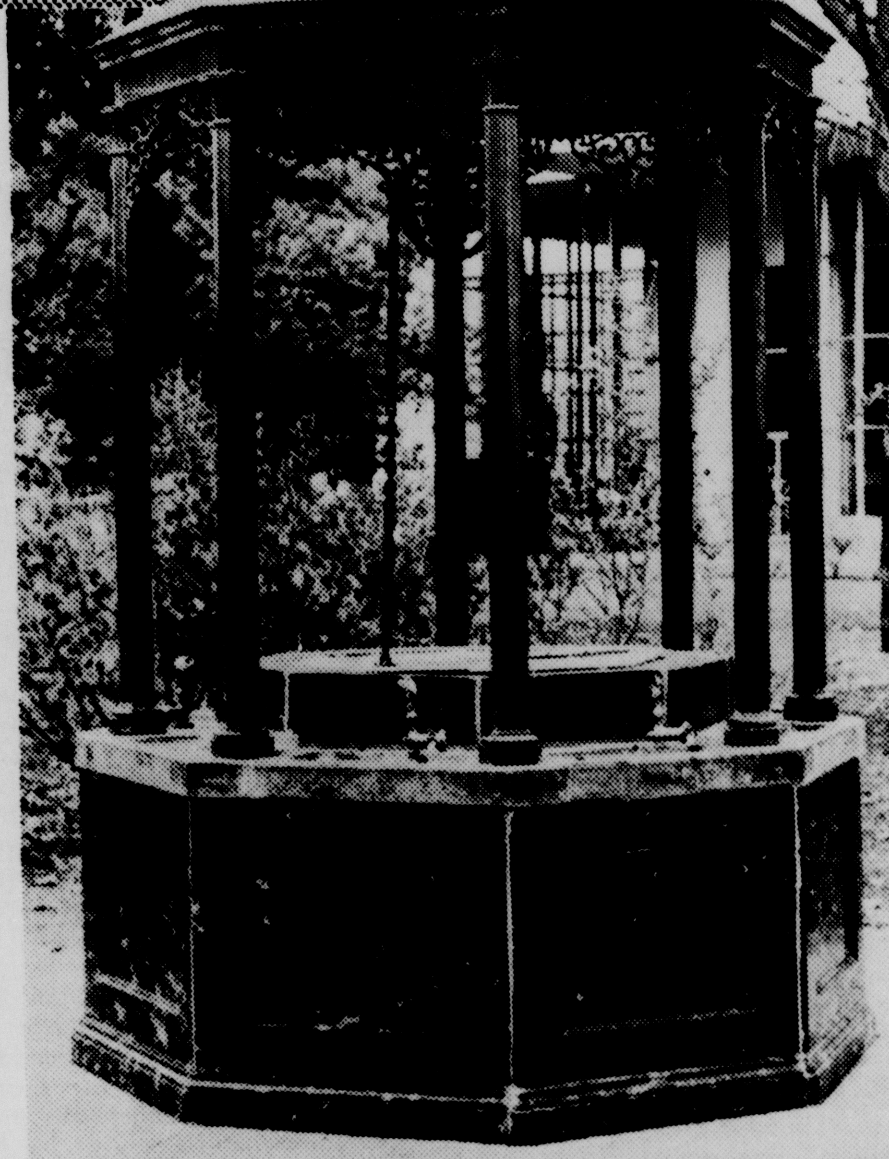

The program may be just great but why don't they just say it is for handicapped or backward children? To top it all off the above statement was contained in a new release asking interested parents to contact the school. Now just how many parents do you suppose who have children who would come under the program will have the slightest idea what the program is all about?

A well of water...

Many important events have taken place at the well. In days long ago it was a meeting place, where all came because of the necessity to obtain life-sustaining water.

Jacob met his beloved Rachel at the well. Moses met the daughters of his future father-in-law at the well in Midian. Much later Jesus Christ met a woman of Samaria at the well and said, "Whosoever drinketh of the water that I shall give him shall never thirst: but the water that I shall give him shall be in him a well of water springing up into everlasting life."

The church of God today is a meeting place where many come to obtain this life-giving and life-sustaining water of which Jesus spoke.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

AUSTIN — The Legislative Redistricting Board, its hands tied by a court order, has called for a staff research toward reapportionment of both the Texas House and Senate.

If the board were permanently enjoined from action, the thorny reapportionment chore may be handed back to the Legislature in a special session this fall. Board was created in 1948 to redistrict where a legislature fails to do so in its first regular session after a decennial census.

Day before the five-member panel was to meet and begin work on Senate realignment (a task left undone by the Legislature this year), an Austin judge entered a temporary restraining order. At the same time, Judge Herman Jones set a hearing for September 2 on a petition for an injunction.

Rep. Fred Head of Henderson filed the suit to stop Board action, contending 1970 census figures are not yet all in, and that reapportionment should wait until the 1973 Legislature.

On August 2 Judge Jones declared the House version of reapportionment by the Legislature this year unconstitutional. Atty. Gen. Crawford C. Martin has promised an appeal to the Texas Supreme Court.

Meanwhile, Martin who was named temporary chairman of the redistricting Board in absentia, left a message expressing hope that the panel will begin work "at the earliest possible date" on House reapportionment in event the High Court rules that is its duty.

Lt. Gov. Ben Barnes, another member of the Board, also called for early staff attention to a House redistricting bill, although both he and Martin agreed Senate reapportionment is the first objective.

Board has 20 separate plans already submitted for recarving the Senate's 31 districts in line with the 1970 census and federal court rulings of substantially equal population for each.

**"FREEZE" BRINGS SUMMER CHILL** — The President's wage-price freeze continued to be the closest-watched and fastest-changing news event at the state capital.

Gov. Preston Smith's proclamation to state agencies to disregard the presidential order and place pay raises for state employees in effect September 1 was quickly held invalid by Attorney General Martin.

Martin then went to Washington to plead for exceptions for state workers and school teachers who had been assured raises by legislative action and (in the case of teachers) contract well before the freeze order date, August 15.

Meanwhile, Texas State Employees Association filed a formal petition for exemption of 60,000 state employees from the order and hinted at court action if refused.

Teachers kept close watch on Washington announcements to see if subsequent federal agency rulings would permit their raises covered by con-

tracts signed prior to August 15 to be granted September 1.

**LABOR DAY TOLL PREDICTED** — Fifty-two may lose their lives in traffic accidents during the long Labor Day weekend, predicts the Department of Public Safety.

If Texans can't drive more safely than that, Governor Smith told his traffic Safety Committee, serious consideration may have to be given to declaring a state of emergency on three-day holidays and calling out the National Guard to supplement police activities.

Smith's committee reviewed plans for an intensive Labor Day Safety campaign.

DPS Director Col. Wilson E. Speir urged motorists to refrain from drinking while driving, to avoid fatigue and to modify driving speed in accord with heavy traffic conditions.

All uniformed officers of DPS will be on highways Friday through Monday to enforce traffic laws. Maximum use will be made of radar and breath-testing devices. DPS special reports on fatal accidents will continue.

**CHILD COUNCIL FORMED** — Governor has established Council on Early Childhood Development to aid children under six.

Council will study early childhood programs and develop plans for strengthening them. It also will train parents and potential parents in the "art" of child care and guidance and implement new programs for education, health and social services to children.

**POOR DISTRICTS TO GET AID** — School districts with the most children from low income families will get \$822,456 in additional federal aid under new grant allotments announced last week.

A total of 641 districts are eligible for aid to finance teacher hire, materials purchase and medical services. Allocations range from \$69,995 for Houston to \$31 for Hamby district, Taylor County.

**SHORT SNORTS**

Motorists no longer can stop and then pass a school bus loading or unloading children under a law effective August 30.

A 214-acre tract in Collin County has been donated for a state park.

Bowhunters will get a special chance at deer, javelina and wild hogs during Aransas National Wildlife Refuge archery season September 17-30.

William E. Pool has resigned as executive director of State Bar of Texas.

State (in San Antonio North Expressway case) is testing a federal court ruling that it cannot build a highway with its own money if application for federal assistance is rejected.

Thirty-seven applications to sell \$33.3 million in securities were filed with State Securities Board last week.

Albert W. Brisbin of Washington, D. C., succeeds B. Frank White as Internal Revenue Service regional commissioner for an eight-state area with headquarters in Dallas.

# We'll see you Tuesday

We hope you have a chance to relax away from your routine chores . . . a trip to the beach with the family or camping out in a park.

Whatever you do, wherever you go, remember to **DRIVE FRIENDLY**.

The Governor's Office and the Texas Department of Public Safety urge you to obey state and local traffic laws, plan your travel so you won't have to rush

or drive when fatigued, and avoid drinking and driving. In other words, maintain a friendly driving attitude toward the other families who are also enjoying this holiday.

Most of the six million Texas drivers will be on the road at some time this holiday weekend. Think about your responsibilities every time you take the wheel. This weekend **DRIVE FRIENDLY** and we'll see you Tuesday.

**This Labor Day weekend DRIVE FRIENDLY and we'll see you Tuesday.**

## Sports Afield

By Ted Kesting

"Here are two of this year's skeet shoot winners to be reckoned with," says Jimmy Robinson, Trap and Skeet Editor of Sports Afield.

Mrs. Phillip "Julia" Armour Jr., of Coral Gables, Florida, holds world records at skeet and is a field-trial handler of championship caliber. Julia won the World Women's Skeet Championship at Savannah, Georgia, last August with a record 250 straight to become the first woman shooter to win this coveted title with a perfect score. And when Julia lived in Chicago, she and her husband, Phillip D. Armour Jr., owned the Armforth English Springer Dog Kennels, one of the finest in the world. Mrs. Armour was to win the National Open Champions as both owner and handler.

All-America skeet shooter Fred Missildine of Sea Island, Georgia, whom Julia credits for making her a top shot, said years ago that she had all the earmarks of a champion. And she did.

Frank Macartney of Bloomfield Hills, Michigan, is the 1970

Sports Afield Skeet Rookie of the Year. The 39-year-old Wolverine gunner, who learned to handle a shotgun at an early age when he hunted ducks and pheasant with his father in his native state of Minnesota, had a fantastic year at the traps.

Red Hill of Detroit introduced Macartney to skeet and found a willing pupil. Macartney won numerous major championships which included the MidAmerica Class C Allgauge at Fenwood Park, Ohio, with 100 straight in the regular event and another 100 to win the shoot-off. He won the Tar Hill Class A .410 at Advance, North Carolina, with 97x100 (which advanced him into Class AA) and he captured the President's Cup at the Detroit Sportsman's Club when he tied six others with 100 straight. He broke 100 straight in the shoot-off to win the cup. Macartney shot 7250 targets at 19 registered shoots in seven states and Canada, and wound up with .9610 on 2150 all-gauge clays.

Texas FHA Loan Volume Topples Previous Records

J. Lynn Futch, Texas State Director of the Farmers Home Administration, announced here today that the agency extended credit to rural Texans in the amount of \$155,456,817 during the 1971 fiscal year ending June 30, 1971.

This credit was furnished farmers and rural residents through the many loan programs administered by the agency with rural housing leading the way with \$72,302,453.

Loans for community services facilities such as rural water systems and sewer systems totaled \$24,205,192. Credit extended to individual farmers and ranchers for operating expenses, capital purchases and land purchases totaled \$58,949,172.

This was the largest yearly volume of loans in the history of the organization, which has as its overall mission the development of rural areas.

Futch said that he was also pleased that there was a sizeable decrease in the percentage of loan delinquencies as compared to previous years.

Due to the severe drought in the spring and early summer of this year, it is expected that the

ALCOHOL and its effects on drivers is the subject under study as a team of professional race car drivers take on enough alcohol to reach .10 percent blood alcohol concentration and then tackle a driving skills course. The test was sponsored by the San Antonio Association of Insurance Agents and conducted at Pan American Speedway by the Southwest Research Institute. Officials say the test is a graphic demonstration of the fact that .10 percent blood alcohol concentration is a level at which even professional drivers are unable to handle a motor vehicle safely.

## 52 Texans Expected to Die Over Labor Day Weekend

AUSTIN — Colonel Wilson E. Speir, director of the Texas Department of Public Safety, today estimated that traffic accidents over the long Labor Day weekend will claim 52 lives in the state.

Speir called for motorists to avoid drinking while driving, avoid fatigue, and modify their driving speed in accordance with expected heavy traffic conditions.

In an effort to hold the toll down, the DPS and local law enforcement agencies, in

cooperation with the news media of Texas, will conduct "Operation Motorcade" — a public awareness program designed to focus attention on the traffic problem. Special reports on fatal traffic accidents will be prepared at DPS Headquarters and released three times daily during the holiday period which runs from 6 p.m. Friday, September 3 to midnight Monday, September 6.

All available uniformed officers of the Department of Public Safety will be on the highways during the holiday to enforce state traffic laws, and maximum use will be made of radar and breath testing instruments. Speir said DPS personnel would do all possible to keep traffic flowing smoothly and safely on this final holiday weekend of the summer.

### Brad Rowland Elected National Organization VP

Brad Rowland, executive Director of the Jones County ASCS Office in Anson, was elected Vice-President of the National Association of (ASCS) County Office Employees at the recent Convention held in Denver, Colorado.

Rowland has served 10 years as Office Manager and Executive Director of the Jones County ASCS, moving to Anson from Stamford. For seven years he served as a Director of the Texas Association of County Office Employees (TASCOE) and served as Vice-President and President of the State Organization before being elected Southwest Area (9 States) Executive Committee member for NASCOE, in 1970.

Some of us don't know what we want, but feel sure we don't have it.

## County ASCS Office Now Answering Questions On Wage, Price Freeze Order

All residents of Jones County may obtain answers to questions on operation and interpretation of the Presidential order of August 15 on prices, rents, wages and salaries from the Jones County Agricultural Stabilization and Conservation Service (ASCS) office, according to R. B. Rowland, County Executive Director.

County ASCS Offices throughout the United States have been chosen as information centers to answer questions from all citizens on President Nixon's Executive Order which is designed to stem inflation and strengthen the national economy.

The Jones County ASCS Office is receiving official answers to questions concerning

the President's action, and any person in Jones County who wants or needs precise information should get in touch with the County Office, Mr. Rowland, said.

The Jones County ASCS Office is located at 1314 South Commercial Ave., and the telephone number is 823-3321. In charge of the office is R. B. Rowland, County Executive Director.

"Ours and all ASCS offices throughout the nation, will function as information centers in all locations outside of highly urbanized areas," Mr. Rowland said.

County ASCS Offices are not to handle complaints or appeals, he said. They will serve only to provide official information. Persons with

complaints will register them with the most convenient district or sub-district office of the Internal Revenue Service.

"Neither will interpretations or guesses be made by ASCS County Office people. They will answer only those questions for which they have been supplied answers. If they don't know the answer to a specific question, they will say so. If a member of the public wants the county office to obtain an answer, the question will go by phone or mail to the nearest IRS district office," Mr. Rowland said.

Normal function of ASCS County Offices is to administer farm action programs of the U. S. Department of Agriculture on the local level. Mr. Rowland said services to farmers in regard to their farming operations will continue without interruption.

"Our County Office people welcome the opportunity to serve their country and are happy to make the extra effort in this crucial period," he said.

### H & R Block Seeks Franchise Dealer In Hamlin

John Buechler, area manager for H & R Block in Abilene, indicated that there are plans for his company to open an office in Hamlin for the 1972 tax season, through an exclusive "Satellite" program.

Buechler explained that the Satellite Franchise program was developed to make available to every community a qualified tax preparation service. "Every citizen today needs competent help in the preparation of his tax return," Buechler stated. "A person just can't afford to be a once-a-year expert in this field."

Buechler cited many reasons for Block's rapid growth to over

5,000 offices nation-wide this year. "The Block Satellite program is designed to be compatible with existing service businesses such as insurance agencies, real estate brokers or bookkeeping services. The Satellite manager is provided with necessary training and supplies, along with direct supervision by the company."

### Comeuppance for Creditors

Mrs. Olson was home alone when two husky men came to her door.

"We're from the appliance store," they announced, "and we are going to repossess your stove."

Despite her protests, they barged into the house, seized the stove, and carried it away—leaving soot stains all over the rug.

Understandably upset, Mrs. Olson determined to sue the store for damages. In court, the proprietor told the judge:

"Maybe my boys did get a little careless. I am willing to pay for cleaning her rug. But aside from that, she suffered no harm. After all, she was behind in her payments."

However, the judge held him liable not only for the rug but also for "punitive damages"—that is, extra damages imposed to teach him a lesson.

The law is taking an increasingly stern view of "rough stuff" by creditors in the repossession of merchandise. To discourage such tactics, most courts will award punitive damages to the debtor, over and above any actual harm done.

This is especially true when the repossession resorts to personal violence. Thus, a court awarded punitive damages to a housewife after her sewing machine was repossessed at the point of a pistol.

In another case, a furniture dealer told a widow she could have extra time to pay for her purchases because she had to have an operation. But while she was in the hospital, he broke into her house and decamped with the furniture. Here, too, a court found ample grounds for awarding punitive damages.

Nevertheless, the law does not frown on the basic idea of repossession. By giving the creditor a simple and speedy remedy against the delinquent debtor, it can keep down the cost of credit for other consumers.

Repeatedly, courts have found nothing improper when a repossessioner towed away a car parked in front of a debtor's house or even in his driveway. As one court pointed out, the seller is merely taking back — "without force, threats, or even stealth"—what is rightfully his.

## NEWS AND VIEWS . . .

### And What Have You

By BOB CRAIG

From the looks of the crowd at the scrimmage here Friday evening I would say that Hamlin fans are ready for another football season to get underway. What with pro football starting as early as it does it makes it hard to wait for high school football to get underway.

I think that everyone, including the coaches, found many bright spots for the Pipers in the scrimmage Friday. Of course there were many weaknesses that showed up too, but that is what a scrimmage is for. It is hard to get a team together this early when you have to field as many young kids as Hamlin will be playing this year.

These kids still have two weeks to work out the problems that were apparent in the scrimmage before they play their first game. Since these are mostly young kids they can learn a lot in two weeks.

Sometimes it is hard to get a true picture of a team in a controlled scrimmage because the ball doesn't change hands like it does in a real game, the kicking game is missing and some of the breaks of the game are eliminated. But already it is possible to tell that the Pipers should be an exciting team to watch this year as they already have a lot of offense showing up.

Local fans of Jesse Powell, the Miami Dolphin linebacker who coached here last spring, were disappointed that he did not get to play more than he did in the televised game Saturday evening. But he was quite impressive when he was in there.

With the pro teams looking at a lot of people just before making a major cut in the squad it is hard to guess what Jesse's status is, but apparently he has a place on the team since he was the captain of the special team for kickoffs and punts. Not having any inside information it is hard to tell if he will be a starting linebacker or will be playing as a backup linebacker.

It may be hard to get an answer to this question until the regular season gets underway later this month.

I have noticed that lately there have been a number of syndicated writers who have been doing a satire on the terminology used by the government and other do gooders in describing or labeling those on welfare or those below average.

They point out that nobody is poor anymore, they are underprivileged. There are all kinds of words used to take the place of welfare and the list goes on and on.

Well I ran across a new one the other day that they can add to their list — "Exceptional Children." Now you might think like I did that this would be those children who are above average, but it is not. It is used to describe those children who are below average and in need of help.

I suppose that since these children are only a small part of the group you can say they are an exception and therefore are exceptional children. But then what do you use to describe those who are above average — the gifted child?

I have to agree with most of the writers — it seems that if our bureaucracy cannot solve a problem they try to hide it by changing its name. Of course they always accompany this change in title with a long foggy sounding statement of policy to cover everything up.

An example: "The purpose of developmental early childhood education programs for exceptional children, is to provide instructional educational services to children who are ages three, four and five years old who may be predicted to experience academic problems upon entering

**THE KEYS TO THE OFFICE** — John Scarborough presents Mrs. L. C. (Peggye) Bonds the keys to the office of the Hamlin Board of Community Development Tuesday morning. Mrs. Bonds was named Executive Secretary of the BCD at a called meeting of the Board of Directors Saturday morning. Scarborough is president of the organization.

## Mrs. L. C. Bonds Named BCD Executive Secretary

Mrs. L. C. (Peggye) Bonds was named Executive Secretary of the Hamlin Board of Community Development by the Board of Directors in a called meeting in the BCD office Saturday morning, according to John Scarborough, president.

Mrs. Bonds met with the board in a called meeting Tuesday morning to begin her new duties. She replaces Mrs. Ned Moore, who resigned as secretary in August after the BCD for a number of years.

Mrs. Bonds, who has been a member of the BCD for a number of years and has served as a director of the organization in past, took over the duties of the office Sept. 1.

The wife of L. C. Bonds, she has been active in the church, civic and school affairs of Hamlin. She is a member of the First United Methodist Church where she is adult coordinator in the Church School, and a member of the Eastern Star, the Xi Gamma Pi Chapter of Beta Sigma Phi and is a delegate to the Woman's Forum.

A mother of four boys, she has

been active in scouting, P-TA and school affairs.

In seeking the position, Mrs. Bonds stated, "I like people and enjoy working with others on worthwhile projects, therefore I would deem it a privilege to devote as much time as possible to promoting the work and trying to enlarge the membership of the BCD."

Scarborough expressed the board's delight in finding someone of Mrs. Bond's abilities to take over the duties of Executive Secretary and urged the people of Hamlin to

join with the board and Mrs. Bonds in making both the organization and Hamlin grow and prosper.

### Local P-TA Group To Hold Meeting Tonight At 7:30

The Hamlin Parent-Teacher Association will meet tonight (Thursday) at 7:30 in the primary cafeteria.

All parents, especially the fathers, are urged to attend the opening meeting. A get-acquainted hour is planned and refreshments will be served.

Mrs. James Stewart, newly elected president, has announced that all parents and teachers are invited and urged to attend. She said, "Because men are parents, with an emotional investment in their children, and because education is among the critical issues of our times, the PTA would especially like to extend an invitation to the fathers to attend the meetings and take part in the association."

Theme for the meeting tonight will be "Schools Can Be Community Centers."

Entertainment will be presented by Marilyn Stewart, Mrs. Dick McAnally and Mrs. Cleburne Murdock.

Mrs. Bill Davis will give the thought for the month.

The opening prayer will be given by Rev. Howard J. Jones.

The superintendent of schools, C. F. Cook, will be introduced by Mrs. Stewart.

### Hamlin to Close For Labor Day

Most Hamlin businesses are expected to be closed here Monday for the Labor Day holiday.

Labor Day is one of the regular holidays set by the Retail Trade Committee of the BCD.

The Hamlin Schools will also be closed for the holiday, according to C. F. Cook, superintendent.

## Booster Club to Host Ice Cream Supper Monday

The Pied Piper Booster Club will open its new year with an Ice Cream Supper Monday evening at 7:30 in the High School Cafeteria, according to James Rodgers, president. Rodgers said all of the high school football players will be

guests of the club and a special invitation has been extended to all parents of the boys.

The Booster Club opened its annual membership drive here last Friday evening at the Hamlin-Seymour scrimmage. Family memberships in the organization are being sold for \$5.00.

Green and White bumper stickers, "Hamlin Pied Pipers — Go Mean Green," went on sale this week for \$1.00. The

high school cheerleaders and officers of the club are now selling the bumper stickers.

The football players and their coaches will be introduced at the meeting Monday evening, a report on the opening game for the Pipers with Winters will be given by the coaching staff, and a film of the Piper scrimmage will be shown.

Rodgers said he has set a goal of 200 members for the Booster Club this year.

### Pied Pipers To Scrimmage At Aspermont

The Hamlin Pied Pipers will scrimmage the Aspermont Hornets Friday evening at 7:30 at Aspermont, according to Coach Deane Wright. This will be the final scrimmage before the Pipers open their season here Friday, Sept. 10, with Winters.

Both the varsity and the junior varsity are expected to take part the Friday scrimmage.

Coach Wright said that after looking at the film of the scrimmage last Friday against Seymour that the coaching staff was well pleased with the progress of the boys, but added that they still had a lot to work on before their opening game.

The Junior Varsity will open its season here Thursday, Sept. 9, with Haskell at 7:30.

## Deadline Friday to Enter Labor Day Golf Tourney

Charles Connally, president of the Hamlin Country Club, reminded all local golfers that Friday was the deadline to enter the Labor Day Golf Tournament to be held here Monday.

The tourney is for all Hamlin golfers and members of the Country Club. Connally said that the golfers did not have to be members of the club, but did have to live in Hamlin or the immediate area if they were not members.

A covered dish dinner is being planned for Monday evening rather than at noon as announced last week.

All those interested in the dinner are urged to bring a dish and take part.

Connally again issued a special invitation to all local youngsters, 12 and over to take part in the tourney.

Trophies will be awarded in each flight with the entry fee set at \$5.00. Qualifying scores must be turned in at the club house by Friday at 6 p.m. The tourney will be 27-holes with nine holes being played in the morning and 18 in the afternoon.

### Fund Drive for Yule Decorations Now In Progress

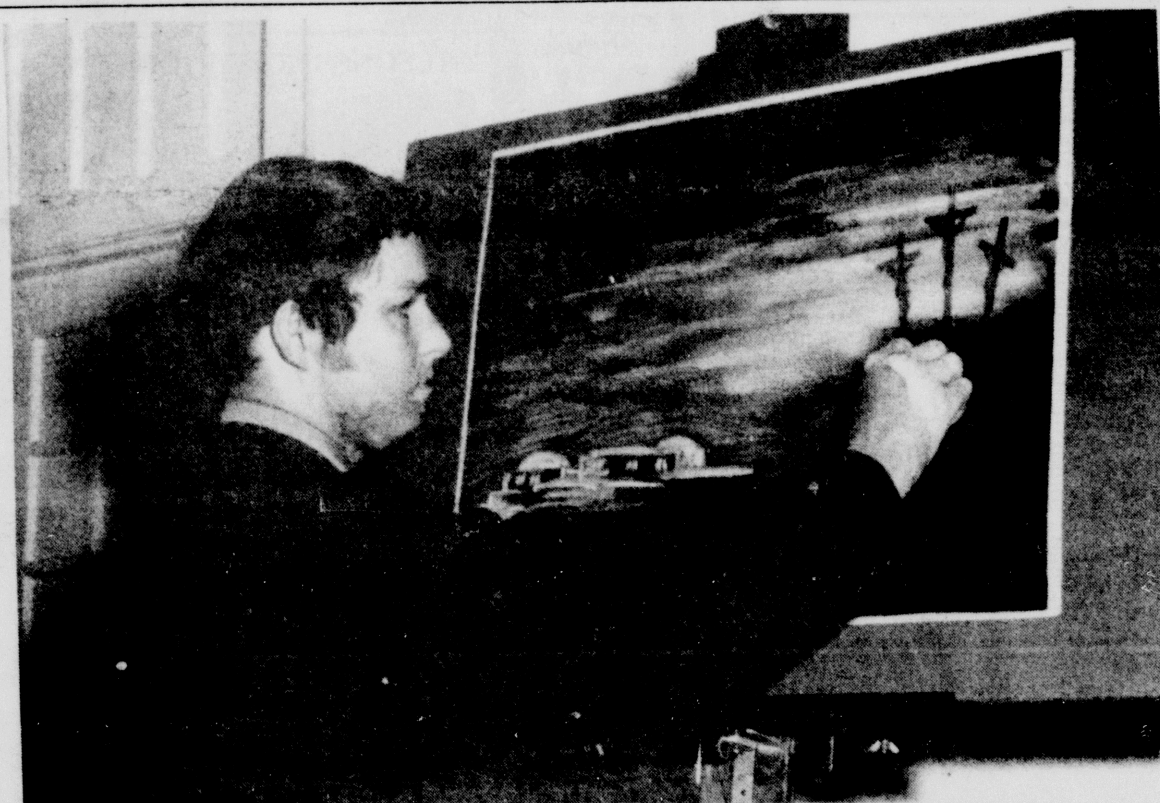

The fund drive to raise money to re-build the Christmas decorations for Hamlin is now in progress, according to Charles Reed, chairman of the Retail Trade Committee of the Hamlin Board of Community Development.

He said that most of the businesses had been contacted by the special committee with the balance expected to be contacted by the end of the week.

Reed also said that since a number of individuals have expressed an interest in contributing to the fund that anyone wanting to donate should contact Cliff Reynolds, Ellis West or himself.

Reed said that the response had been good and that it was estimated that it would take about \$500 to re-build all of the decorations.

Mr. and Mrs. Jerry Wayne Adkison are parents of a girl, Tami Dawn, born Aug. 26 at 2 a.m. She weighed 5 lbs. 11 1/2 oz.

**CHALK TALK ARTIST TO APPEAR** — Doug Wood, a Hardin-Simmons senior, will be the guest speaker for the downtown youth rally to be staged at Southwest Third Street and South Central Saturday at 7:30 p.m. An art major and Bible minor from Dumas, he uses chalk talks in his services to help make a bigger impression of God's word. "It's more real and personal than if they were to hear a sermon," he says. Plans for the youth rally are being developed through a cooperative effort of several churches. Several special music groups, both local and out of town, will be featured. A special sound system will be installed for the event.

### Enrollment Down Here

Enrollment in the Hamlin Schools is down about 20 students from last year, making a total of 849 in school, according to C. F. Cook, superintendent. He said that grades second, fourth, and eighth are below average, accounting for most of the drop.

The third grade is the largest class with 80 students and the second grade is the smallest with 53. This does not include special education with 11 students and kindergarten with 27, which are of limited enrollment.

There are 67 first grade students this year, 53 second, 80 third, 54 fourth, and 72 fifth.

In junior high there are 74 in the sixth grade, 72 in the seventh, and 64 in the eighth.

The freshman class, with 78, is the largest class in high school. There are 72 sophomores, 69 juniors and 58 seniors.

You will always stay young if you live honestly, eat slowly, sleep sufficiently, work industriously, worship faithfully...and lie about your age.

—The New Canaan (Conn.) Advertiser

**"GO MEAN GREEN"** — C. F. Cook, superintendent of Hamlin Schools, buys one of the first bumper stickers being sold this year by the Pied Piper Booster Club. Cook made his purchase from Shelley Holtz, Hamlin High School head cheerleader. The cheerleaders are helping the Booster Club sell the stickers. Looking on are other cheerleaders, Ken Shira, Stephanie Willingham and Becky Wright. James Rodgers, president of the Booster Club said that the stickers were being sold by the cheerleaders and officers of the organization for \$1.00.

# Local Homemaking Program Now Offering New Courses

The Homemaking program has a new appearance this year with the addition of a new teacher and two new courses. Mrs. Edith Carter and Mrs. Kay Taylor will be the homemaking teachers for the 1971-72 school term. Mrs. Carter will teach Homemaking I, Consumer Education, and Home Economics Cooperative Education. Mrs. Taylor will teach Homemaking I, II, and III, and will sponsor the local Future Homemakers of America Chapter.

Consumer Education is a new course never before offered at Hamlin High School. It is a semester course which replaces economics. Mrs. Carter has begun the semester by familiarizing the students with the terminology used in consumer education. Twenty-five senior students are enrolled in the course. They are Yvonne Bailey, Billy Boil, Yvonne Castle, Herminia Chavez, Crystal Cheshire, Frances Collins, Rickie Covington, Mike Donham, Martha Ellison, Bryce Fowler, Jan Gardner, Mary Jane Gonzales, Billy Jack

Kerns, Florence Lopez, Gilbert Lujan, Shelton Marshall, Fernando Rangel, Larry Robertson, June Roddy, Ann Spalding, Harold Smith, Frita Stewart, Virgil Turner, Sandra Tyler, Dale Walden, Jackie Warner and Arthur Vanzandt.

Another new course being initiated this year is Home Economics Cooperative Education (HECE). The students taking this course will attend classes one-half day, including a special class in HECE, and then will work for a minimum of fifteen hours a week in a business or home in Hamlin. Students began work on Monday, Aug. 30. Students participating are Terry Bailey, Joy Burleson, Frances Collins, Johnny Cork, Martha Ellison, Mary Joe Martinez, Sandra Tyler, Kenneth Williams, Latrese Williams and Vonda Woolf.

In Mrs. Carter's Homemaking I class, students have begun with a unit on Foods and Nutrition and are presently studying "Food Needs for the Body." The twelve freshmen enrolled are Beverly Carter,

Mary Collins, Teresa Crowe, Peggy Farnsworth, Patricia Lee, Anita Ledbetter, Brenda Light, Cynthia McMillan, Janet Moran, Vickie Ponder, Debra St. Clair and Consuela Rangel.

Mrs. Taylor is teaching two Homemaking I classes, and both are studying a unit on Family Relations. Students are presently discussing "Understanding Yourself and Others." ## Former Resident Named Friona Top Young Woman

Mrs. Kenneth Ferguson of Friona, a former Hamlin resident, has been selected Outstanding Young Woman for 1971 by the New Horizon Junior Study Club in Friona. She was nominated by the organization earlier this year on the basis of her achievements.

Complete biographical sketches of all nominees will be featured in a national volume, "Outstanding Young Women of America," to be published in November.

These women are now in competition for their state's Outstanding Woman of the Year award.

The outstanding Young Women of America program, now in its seventh year, was conceived by the leaders of the nation's major women's organizations. The program recognizes young women between the ages of 21 and 35 for their contributions to the betterment of their communities, professions and country.

Mrs. Ferguson is the former Helen Moore, daughter of Mr. and Mrs. William Moore. She is a 1967 graduate of Hamlin High School and was employed by the State Department of Health in Abilene before moving to Friona last year, where her husband is associated with the Soil Conservation Service. They have a son, Christopher Wayne.

Mrs. Willie Tabb and Mrs. Nolan Tabb attended the Crain Family Reunion Sunday in the home of their nephew and family, Mr. and Mrs. A. A. Crain, at Ft. Phantom Lake. Twenty-five nieces and nephews attended.

## Mrs. Newell King Hosts Ruth Class Meeting Tuesday

Mrs. Newell King was hostess for the Tuesday afternoon meeting of Ruth Sunday School Class of Central Baptist Church.

Mrs. Eddie B. Hopper, president, presided. Mrs. Opal Goodgame led the class song and Mrs. King gave the opening prayer.

Mrs. Goodgame, Mrs. Floyd Wallace, Mrs. M. L. Haught and Mrs. Jess Treadwell were named to the nominating committee to report at the September meeting.

Mrs. R. Y. Cloud gave the Bible Quiz. Mrs. W. J. Stewart presented the devotional on the fourteenth chapter of John.

Secret Pals were revealed. The class voted to bring contributions for the Lottie Moon Christmas offering to the meetings each month until Christmas.

## Mrs. Curtis Payne Honored With Gift Tea Here Recently

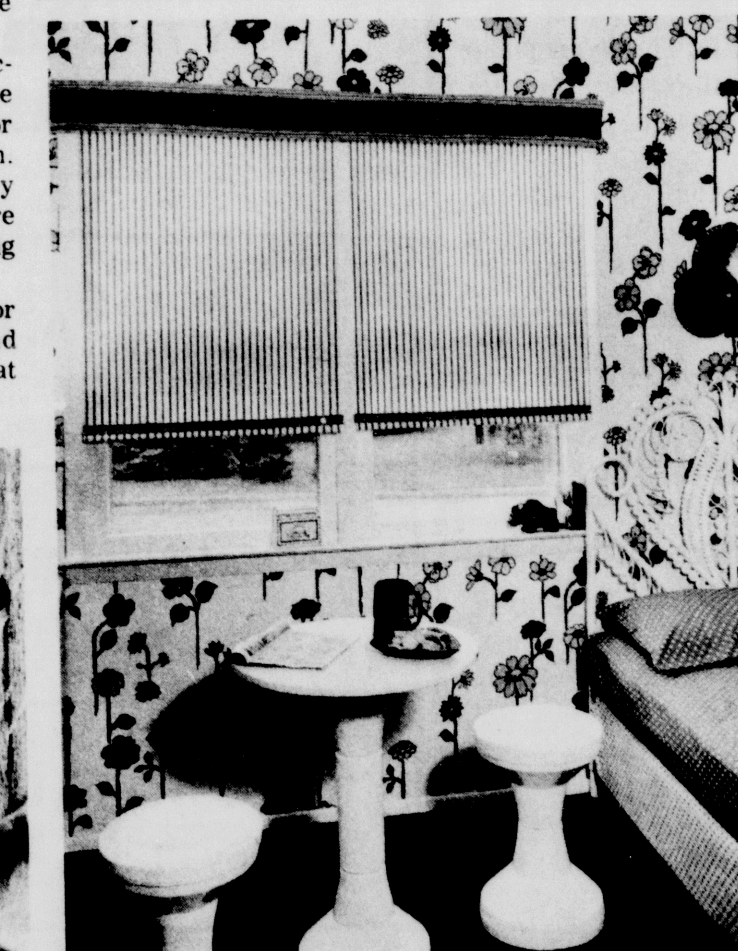

Mrs. Curtis Payne, the former Stella Kelly, was honored prior to her marriage with a gift tea in the home of Mrs. Jeff Willis, Aug. 14.

The serving table was covered with a white and yellow cloth and centered with a bouquet of daisies.

Guests were greeted by Mrs. Willis and presented to the honoree; Mrs. W. N. Brown, mother of the honoree; and Mrs. Benson Payne, mother of the bridegroom.

Hostesses were Meses. Willis, David Wade, Cal Sewell, A. B. Maynard, Rex Reynolds, Young Bill Maddox, Chester Jenkins, Shirley Casey and Miss Sandy Smith.

The couple exchanged marriage vows in Anson Tuesday morning, Aug. 31.

**CABANA STRIPES** — Ready-made shades add decorative dash to window treatment with pencil-slim stripes that tie in with almost any decor. Vinyl-coated cotton shade cloth assures easy upkeep, fire-resistance, and colorfastness. In an array of gay colors, the Joanna shades filter the light yet provide privacy control.

When you make a mistake, don't look back at it long. Take the reason of the thing into your mind, and then look forward. Mistakes are lessons of wisdom. The past cannot be changed. The future is yet in your power.

**FREE-SWINGING** — The cape swings into fall as stylish topping for pants cut with fit and flare. In wide wale cotton corduroy, the outfit's by Koret of California.

News deadline is noon Tuesday. Tuesday evening events by 10 p.m. Tuesday or 8:30 a.m. Wednesday.

## NEWS FROM . . .

# Old Glory

By Bernice D. White

Mrs. Manita Newman has returned from a trip to California where she visited in the home of two of her sons and families, the Noel Keith Newmans and the Jim Delton Newmans. She made the trip with her daughter and family, the Billy Lackeys of San Antonio. The Lackeys have spent several days here visiting with Mrs. Newman and also Mrs. H. E. Carr, who is a patient in the hospital in Aspermont, as well as his parents, Mr. and Mrs. Bill Lackey in Aspermont.

We extend congratulations to Mrs. Carr who observed her 91st birthday last week. Others from out of town who have been here visiting with her and Mrs. Newman have included Mrs. Jimmie Lea Carr and daughters Merry Nell of Palestine and Mrs. Maxine Williams of Tulsa, Okla.; Mrs. Elmore Thomas of Mineral Wells and Mrs. Bishop Camper of Roswell, N. M.

Old Glory 4-Hers and their parents enjoyed a picnic at the Stamford Park on Friday evening Aug. 20. The group gathered at the George Rhoads' home and then drove to Stamford for the picnic and then attended a show. Adult leaders in charge were Mrs. Eddie Jones and Mrs. George Rhoads.

Mr. and Mrs. Herman Dugan have returned from a vacation trip in the Galveston, Fort Worth, Comanche and Odessa areas. They reported a real nice

time.

The J. V. Ritenour family were dinner guests in the George Rhoads home last Sunday. Mr. Ritenour is minister of the Old Glory Church of Christ and was back last Sunday after being on vacation for three weeks.

Visiting here with Mr. and Mrs. Delos Callicotte this week were his sister and husband, Mr. and Mrs. Bob Fotheringham of Hereford.

Ricky Suggs of Hobbs, N. M., was a dinner guest in the home of Mr. and Mrs. C. T. Pierce, Debra and Denise last Sunday.

An interesting article and pictures of Mrs. Herbert Lammert and three of her grandchildren appeared in last Sunday's Abilene Reporter. Also the Lammert's son, Danny Ray has dressed up his Route 1 column in the Abilene paper, has his picture up there, and it makes it seem almost as if he were talking to you.

Visiting with Mr. and Mrs. Lynn Flowers last Sunday was her sister, Mrs. Hazel Overton of Stamford. Mrs. Overton attended church here with Mrs. Flowers Sunday morning.

On Friday evening Mr. and Mrs. Joe Hudspeth of Hamlin visited with Mr. and Mrs. Lynn Flowers.

Mr. and Mrs. Marvin Letz of Haskell were here Sunday visiting in the home of Mr. and Mrs. Herman Letz. They attended church here Sunday morning, along with Mrs. Letz.

# Wedding Hints

Planning a wedding? These tips on getting information to the Hamlin Herald office should be followed.

1. Two pictures of the bride will be used only if the engagement is announced six weeks prior to the wedding. A one column picture will be used with the engagement announcement and a two column picture will be used with the wedding.

2. Only black and white prints will be used. A billfold size for the engagement picture is adequate. A 5 x 7 or 8 x 10 is suitable for the wedding picture. Glossy prints are preferred.

3. Wedding information and picture should be turned in before the wedding or on Monday immediately following a wedding that occurs Wednesday through Sunday. Monday and Tuesday evening

weddings should be reported no later than Monday. Information that is to be sent to a daily publication should be in the Herald office one week prior to the wedding date.

4. Information and picture received three weeks after the event will not be published. A brief announcement of the wedding will be used after three weeks.

5. Wedding stories and pictures are used when either the bride or groom is a resident or former resident of Hamlin. Grandchildren of residents may choose either to have a picture with cutlines or a wedding story.

6. Information blanks for engagements, weddings and anniversaries are available at the Herald office.

**TOP BRASS** — The pantsuit takes on a military flavor with a short-cropped battle jacket that's buttoned in brass. Elegantly turned out in cotton velveteen.

FROM THE FILES . . .

FORTY FIVE YEARS AGO  
(August 31, 1928)

Tuesday evening at seven o'clock the Hamlin Rotarians and Rotaryans were guests of the Stamford Rotary Club. The Country Club grounds was the scene of the delightful evening. Hamlin Club was there almost to a man with his wife, except those wives who are away from the city and excepting the case of Elmer Rodgers and Homer Massey, who are the bachelors of the Hamlin gang. But Elmer and Homer were there when it came to the eats, for it was noticed that each of them consumed enough barbecued beef and chicken, potato chips, 'pop' and ice cream to make up for the absence of a wife.

After the games the guests were invited to the beautiful club house where songs were heard for the remainder of the evening. And the Hamlin Rotarians and Rotaryans bade their hosts a fair good night with 'exuberant' expressions of the good time enjoyed.

This Friday marks a new day for Hamlin. We are putting on our 'Sunday' looks for our thousands of visitors.

Hamlin is twenty-two years old and a 'humdinger' Hamlin has not got everything but she has lots of desirable features many Texas towns have never enjoyed.

Hamlin swings a wide open door of welcome. Look us over, then when you return to your good homes don't forget us. Tell all the good things and forget the bad.

Today we celebrate the discovery of oil in our neighborhood and the coming of gas to our City. This makes a fine combination. We are glad, we are happy.

TWENTY YEARS AGO  
(September 7, 1951)

It finally rained at Hamlin! In fact, a rain of 5.31 inches was recorded first of the week by the rain gauge maintained by the city water department, as reported by Bill Rountree, water superintendent.

But that was just a good shower compared with the real downpour recorded just east of Tuxedo where more than 12 inches of rain was recorded from early Tuesday through Wednesday midnight. Maybe we should now tell you that the rain was recorded just exactly a year ago. That was one of the items quoted in the new column, "Recalling Other Years" found on page two of your revamped Home Town Paper.

If you have not been reading the new department, we believe it will be interesting to you.

The business quarters formerly occupied by Mary's Style Shop have been extensively refinished on the interior and A. C. Hall is preparing to open with his paint and wallpaper store at that site.

A partition was added between the front and rear portions of the building and this was papered with one of the Hall's latest stock patterns.

The larger quarters will permit a better display of Hall's specialties and provides a more convenient shopping point for Hamlin trade.

Response to the X-ray survey for the presence of tuberculosis infection which was held at the Hamlin Motor Company over the Thursday, Friday and Saturday period of last week, was not up to the former standard for Hamlin. Late figures were that approximately 1,000 were examined in the three-day program.

Fifteen hundred were examined in last year's campaign.

TEN YEARS AGO  
(September 7, 1961)

D. C. Andrews and the Piper coaching staff know very little about Seagraves, the Piper's opponent this Friday night.

About all that is known is that they have a big 205-215 pound fullback and a big strong tackle. They run from the Wing T formation and are ranked number seven in the state among class A clubs.

Seagraves was open this past week and the coaches have not had a chance to scout them. They finished the season last year with a 9-0-1 record.

Game time for the non-conference game is 7:32 p.m. No tickets will be available here for the game but can be purchased at the gate.

Word here is that the best way to Seagraves is to go from here to Snyder, to Lamesa and then to Seagraves. Take State highway 137 out of Lamesa to Welch and then State 83 into Seagraves.

The first meeting of the Parent-Teachers Association will be held at 7:30 p.m. tonight (Thursday) in the primary cafeteria.

Introduction of the superintendent principals, teachers and board members will be made at this time. The Rev. Spencer Lyles, new minister of the Foursquare Church, will give the invocation and meditation.

A get acquainted tea is to be held following the meeting.

New officers will be elected for the Jones County Second Sunday Singing group meeting to be held at the Hanna Baptist Sunday at 2 p.m.

W. E. Thompson of Anson, president, urges everyone interested in good gospel singing to attend.

And What Have You  
By BOB CRAIG

regular elementary school programs."

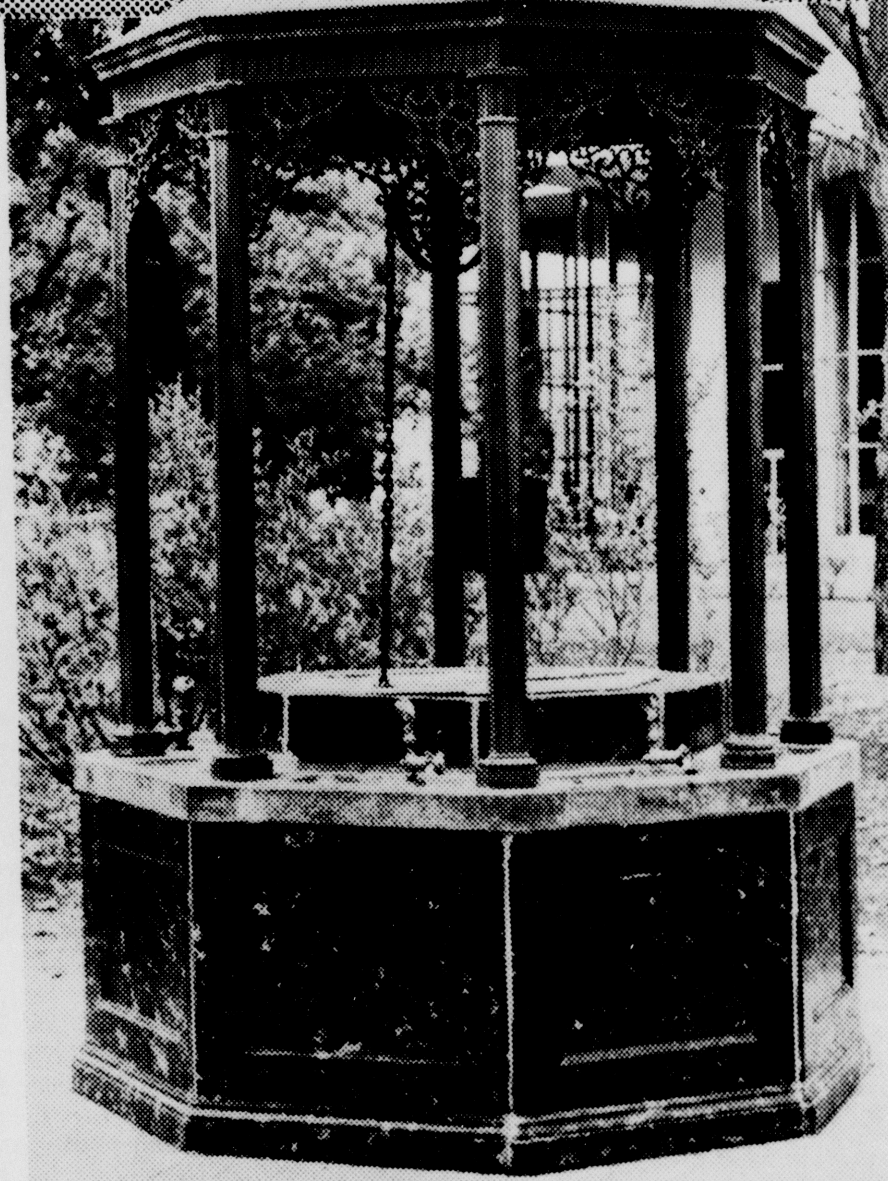

The program may be just great but why don't they just say it is for handicapped or backward children? To top it all off the above statement was contained in a new release asking interested parents to contact the school. Now just how many parents do you suppose who have children who would come under the program will have the slightest idea what the program is all about?

A well of water...

Many important events have taken place at the well. In days long ago it was a meeting place, where all came because of the necessity to obtain life-sustaining water.

Jacob met his beloved Rachel at the well. Moses met the daughters of his future father-in-law at the well in Midian. Much later Jesus Christ met a woman of Samaria at the well and said, "Whosoever drinketh of the water that I shall give him shall never thirst: but the water that I shall give him shall be in him a well of water springing up into everlasting life."

The church of God today is a meeting place where many come to obtain this life-giving and life-sustaining water of which Jesus spoke.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

By Bill Boykin  
Texas Press Association

AUSTIN — The Legislative Redistricting Board, its hands tied by a court order, has called for a staff research toward reapportionment of both the Texas House and Senate.

If the board were permanently enjoined from action, the thorny reapportionment chore may be handed back to the Legislature in a special session this fall. Board was created in 1948 to redistrict where a legislature fails to do so in its first regular session after a decennial census.

Day before the five-member panel was to meet and begin work on Senate realignment (a task left undone by the Legislature this year), an Austin judge entered a temporary restraining order. At the same time, Judge Herman Jones set a hearing for September 2 on a petition for an injunction.

Rep. Fred Head of Henderson filed the suit to stop Board action, contending 1970 census figures are not yet all in, and that reapportionment should wait until the 1973 Legislature.

On August 2 Judge Jones declared the House version of reapportionment by the Legislature this year unconstitutional. Atty. Gen. Crawford C. Martin has promised an appeal to the Texas Supreme Court.

Meanwhile, Martin who was named temporary chairman of the redistricting Board in absentia, left a message expressing hope that the panel will begin work "at the earliest possible date" on House reapportionment in event the High Court rules that is its duty.

Lt. Gov. Ben Barnes, another member of the Board, also called for early staff attention to a House redistricting bill, although both he and Martin agreed Senate reapportionment is the first objective.

Board has 20 separate plans already submitted for recarving the Senate's 31 districts in line with the 1970 census and federal court rulings of substantially equal population for each.

**"FREEZE" BRINGS SUMMER CHILL** — The President's wage-price freeze continued to be the closest-watched and fastest-changing news event at the state capitol.

Gov. Preston Smith's proclamation to state agencies to disregard the presidential order and place pay raises for state employees in effect September 1 was quickly held invalid by Attorney General Martin.

Martin then went to Washington to plead for exceptions for state workers and school teachers who had been assured raises by legislative action and (in the case of teachers) contract well before the freeze order date, August 15.

Meanwhile, Texas State Employees Association filed a formal petition for exemption of 60,000 state employees from the order and hinted at court action if refused.

Teachers kept close watch on Washington announcements to see if subsequent federal agency rulings would permit their raises covered by con-

tracts signed prior to August 15 to be granted September 1.

**LABOR DAY TOLL PREDICTED** — Fifty-two may lose their lives in traffic accidents during the long Labor Day weekend, predicts the Department of Public Safety.

If Texans can't drive more safely than that, Governor Smith told his traffic Safety Committee, serious consideration may have to be given to declaring a state of emergency on three-day holidays and calling out the National Guard to supplement police activities.

Smith's committee reviewed plans for an intensive Labor Day Safety campaign.

DPS Director Col. Wilson E. Speir urged motorists to refrain from drinking while driving, to avoid fatigue and to modify driving speed in accord with heavy traffic conditions.

All uniformed officers of DPS will be on highways Friday through Monday to enforce traffic laws. Maximum use will be made of radar and breath-testing devices. DPS special reports on fatal accidents will continue.

**CHILD COUNCIL FORMED** — Governor has established Council on Early Childhood Development to aid children under six.

Council will study early childhood programs and develop plans for strengthening them. It also will train parents and potential parents in the "art" of child care and guidance and implement new programs for education, health and social services to children.

**POOR DISTRICTS TO GET AID** — School districts with the most children from low income families will get \$822,456 in additional federal aid under new grant allotments announced last week.

A total of 641 districts are eligible for aid to finance teacher hire, materials purchase and medical services. Allocations range from \$69,995 for Houston to \$31 for Hamby district, Taylor County.

**SHORT SNOTS**

Motorists no longer can stop and then pass a school bus loading or unloading children under a law effective August 30.

A 214-acre tract in Collin County has been donated for a state park.

Bowhunters will get a special chance at deer, javelina and wild hogs during Aransas National Wildlife Refuge archery season September 17-30.

William E. Pool has resigned as executive director of State Bar of Texas.

State (in San Antonio North Expressway case) is testing a federal court ruling that it cannot build a highway with its own money if application for federal assistance is rejected.

Thirty-seven applications to sell \$33.3 million in securities were filed with State Securities Board last week.

Albert W. Brisbin of Washington, D. C., succeeds B. Frank White as Internal Revenue Service regional commissioner for an eight-state area with headquarters in Dallas.

# We'll see you Tuesday

We hope you have a chance to relax away from your routine chores . . . a trip to the beach with the family or camping out in a park.

Whatever you do, wherever you go, remember to **DRIVE FRIENDLY**.

The Governor's Office and the Texas Department of Public Safety urge you to obey state and local traffic laws, plan your travel so you won't have to rush

or drive when fatigued, and avoid drinking and driving. In other words, maintain a friendly driving attitude toward the other families who are also enjoying this holiday.

Most of the six million Texas drivers will be on the road at some time this holiday weekend. Think about your responsibilities every time you take the wheel. This weekend **DRIVE FRIENDLY** and we'll see you Tuesday.

**This Labor Day weekend DRIVE FRIENDLY and we'll see you Tuesday.**

## Sports Afield

By Ted Kesting

"Here are two of this year's skeet shoot winners to be reckoned with," says Jimmy Robinson, Trap and Skeet Editor of Sports Afield.

Mrs. Phillip "Julia" Armour Jr., of Coral Gables, Florida, holds world records at skeet and is a field-trial handler of championship caliber. Julia won the World Women's Skeet Championship at Savannah, Georgia, last August with a record 250 straight to become the first woman shooter to win this coveted title with a perfect score. And when Julia lived in Chicago, she and her husband, Phillip D. Armour Jr., owned the Armforth English Springer Dog Kennels, one of the finest in the world. Mrs. Armour was to win the National Open Champions as both owner and handler.

All-America skeet shooter Fred Missildine of Sea Island, Georgia, whom Julia credits for making her a top shot, said years ago that she had all the earmarks of a champion. And she did.

Frank Macartney of Bloomfield Hills, Michigan, is the 1970

Sports Afield Skeet Rookie of the Year. The 39-year-old Wolverine gunner, who learned to handle a shotgun at an early age when he hunted ducks and pheasant with his father in his native state of Minnesota, had a fantastic year at the traps.

Red Hill of Detroit introduced Macartney to skeet and found a willing pupil. Macartney won numerous major championships which included the MidAmerica Class C Allgauge at Fenwood Park, Ohio, with 100 straight in the regular event and another 100 to win the shoot-off. He won the Tar Hill Class A .410 at Advance, North Carolina, with 97x100 (which advanced him into Class AA) and he captured the President's Cup at the Detroit Sportsman's Club when he tied six others with 100 straight. He broke 100 straight in the shoot-off to win the cup. Macartney shot 7250 targets at 19 registered shoots in seven states and Canada, and wound up with 9610 on 2150 all-gauge clays.

Texas FHA Loan Volume Topples Previous Records

J. Lynn Futch, Texas State Director of the Farmers Home Administration, announced here today that the agency extended credit to rural Texans in the amount of \$155,456,817 during the 1971 fiscal year ending June 30, 1971.

This credit was furnished farmers and rural residents through the many loan programs administered by the agency with rural housing leading the way with \$72,302,453.

Loans for community services facilities such as rural water systems and sewer systems totaled \$24,205,192. Credit extended to individual farmers and ranchers for operating expenses, capital purchases and land purchases totaled \$58,949,172.

This was the largest yearly volume of loans in the history of the organization, which has as its overall mission the development of rural areas.

Futch said that he was also pleased that there was a sizeable decrease in the percentage of loan delinquencies as compared to previous years.

Due to the severe drought in the spring and early summer of this year, it is expected that the

Vernon Meeting Planned On Forage Production for Profit

**VERNON** — The opportunities for profitable forage production in the Texas Rolling Plains will be discussed here Sept. 7.

Sponsored by the Area Committee of the Rolling Plains Economic Program (R-PEP), the discussions will be in the Wilbarger County Memorial Auditorium, from 9:30 a.m. until 3:30.

Guests attending will hear specialists discuss such matters as the profitability and the potentials of forage production, loans for farm storage, loose-hay stacking and other harvesting methods, the quality of hay as affected by the crop, and the production and management of forage.

Tommy Robertson Attends Banking Directors Meeting

Tommy Robertson attended the board of directors meeting of the Abilene Chapter of American Institute of Banking Aug. 24 at the Citizens National Bank directors' room in Abilene.

Robertson, a first year director, said that the Institute is experiencing one of the best years of enrollment.

Attending Institute classes in Effective English from the local bank are Leldon Clifton, Iva Early, O. H. Weaver and Robertson.

Taking AIB correspondence courses in Analyzing Financial Statements are Weaver and Robertson.

Mrs. James Bailey and Mrs. Glenn Adair are taking correspondence courses in Principles of Bank Operations.

LONDON — A van containing more than 4,000 cigarette lighters worth \$28,000 was stolen from a London suburb. According to police, lighters of the type stolen are not on sale in Britain yet.

Retired Farmer, Lonzo Rodgers, Dies Here Aug. 22

Lonzo (Lon) Rodgers, 68, a resident of Jones County for 46 years, died at 2:20 Aug. 22 at Hamlin Memorial Hospital. A retired farmer, he had lived on Route three, Hamlin, for the past eight years.

Services were held at 2 p.m. Aug. 24 at the Church of the Nazarene. Rev. Marshall Stewart, pastor, officiated. He was assisted by Rev. H. D. Williams, pastor of the Church of the Nazarene in Rotan.

Born Aug. 14, 1903, in Kokomo, he was the son of the late Mr. and Mrs. Tom Rodgers.

Survivors include three brothers, Al of Gustine, Bernard and Erbie, both of Rotan; four sisters, Mrs. Henry (Clara) Tollsion of Mississippi, Mrs. Pete (Add) Thompson of Oklahoma, Mrs. Claude (Gladys) Keen of California and Mrs. Homer (Hellen) Helms of Hamlin.

Pallbearers were Randy Rodgers, Charles Helms, Alton Williams, Billy A. Kay, Jack Robbins and Dearn Ashton, all nephews.

Local Youth Win Places In Jones County Fair

Randy Crouch of Hamlin showed the Best Opposite Sex in the Rabbit division of the Jones County Fair held in Anson this past weekend. His senior buck was judged first and his junior doe was third in the show.

Ronald Crouch, also of Hamlin, placed first in the show with his senior doe and fourth with his junior doe. Guyland Roberts won second with his intermediate doe and Gary Greason placed second with his junior doe.

Carlos Gonzales, fourth of the Hamlin FFA, placed fourth with his open gilt in the Swine division.

La Vona Harendt placed sixth in the crossbred, heavy weight steer and Doris Harendt placed 19th in the Hereford light weight steer division.

Lake Havasu City imports beach sand

Lake Havasu City, the tourist resort in Arizona which bought London Bridge, has acquired another novel import.

Hundreds of truckloads of sand have been carted in to the desert site to create lake-front beaches. Though there is no shortage of sand at Lake Havasu, the desert variety is too coarse for comfort.

ALCOHOL and its effects on drivers is the subject under study as a team of professional race car drivers take on enough alcohol to reach .10 percent blood alcohol concentration and then tackle a driving skills course. The test was sponsored by the San Antonio Association of Insurance Agents and conducted at Pan American Speedway by the Southwest Research Institute. Officials say the test is a graphic demonstration of the fact that .10 percent blood alcohol concentration is a level at which even professional drivers are unable to handle a motor vehicle safely.

## 52 Texans Expected to Die Over Labor Day Weekend

AUSTIN — Colonel Wilson E. Speir, director of the Texas Department of Public Safety, today estimated that traffic accidents over the long Labor Day weekend will claim 52 lives in the state.

Speir called for motorists to avoid drinking while driving, avoid fatigue, and modify their driving speed in accordance with expected heavy traffic conditions.

In an effort to hold the toll down, the DPS and local law enforcement agencies, in

cooperation with the news media of Texas, will conduct "Operation Motorcade" — a public awareness program designed to focus attention on the traffic problem. Special reports on fatal traffic accidents will be prepared at DPS Headquarters and released three times daily during the holiday period which runs from 6 p.m. Friday, September 3 to midnight Monday, September 6.

All available uniformed officers of the Department of Public Safety will be on the highways during the holiday to enforce state traffic laws, and maximum use will be made of radar and breath testing instruments. Speir said DPS personnel would do all possible to keep traffic flowing smoothly and safely on this final holiday weekend of the summer.

### Brad Rowland Elected National Organization VP

Brad Rowland, executive Director of the Jones County ASCS Office in Anson, was elected Vice-President of the National Association of (ASCS) County Office Employees at the recent Convention held in Denver, Colorado.

Rowland has served 10 years as Office Manager and Executive Director of the Jones County ASCS, moving to Anson from Stamford. For seven years he served as a Director of the Texas Association of County Office Employees (TASCOE) and served as Vice-President and President of the State Organization before being elected Southwest Area (9 States) Executive Committeeman for NASCOE, in 1970.

Some of us don't know what we want, but feel sure we don't have it.

## County ASCS Office Now Answering Questions On Wage, Price Freeze Order

All residents of Jones County may obtain answers to questions on operation and interpretation of the Presidential order of August 15 on prices, rents, wages and salaries from the Jones County Agricultural Stabilization and Conservation Service (ASCS) office, according to R. B. Rowland, County Executive Director.

County ASCS Offices throughout the United States have been chosen as information centers to answer questions from all citizens on President Nixon's Executive Order which is designed to stem inflation and strengthen the national economy.

The Jones County ASCS Office is receiving official answers to questions concerning

the President's action, and any person in Jones County who wants or needs precise information should get in touch with the County Office, Mr. Rowland, said.

The Jones County ASCS Office is located at 1314 South Commercial Ave., and the telephone number is 823-3321. In charge of the office is R. B. Rowland, County Executive Director.

"Ours and all ASCS offices throughout the nation, will function as information centers in all locations outside of highly urbanized areas," Mr. Rowland said.

County ASCS Offices are not to handle complaints or appeals, he said. They will serve only to provide official information. Persons with

complaints will register then with the most convenient district or sub-district office of the Internal Revenue Service.

"Neither will interpretations or guesses be made by ASCS County Office people. They will answer only those questions for which they have been supplied answers. If they don't know the answer to a specific question, they will say so. If a member of the public wants the county office to obtain an answer, the question will go by phone or mail to the nearest IRS district office," Mr. Rowland said.

Normal function of ASCS County Offices is to administer farm action programs of the U. S. Department of Agriculture on the local level. Mr. Rowland said services to farmers in regard to their farming operations will continue without interruption.

"Our County Office people welcome the opportunity to serve their country and are happy to make the extra effort in this crucial period," he said.

### Funeral Services Held Tuesday for Ruth B. Maddox

Funeral services for Ruth B. Maddox, 88, were held at 10:30 a.m. Tuesday in Foster's Chapel of Faith, 500 N. W. Fifth Street. Mrs. Maddox, a Hamlin resident since 1924, died at 10:45 p.m. Sunday at Holiday Lodge.

Rev. Marshall Stewart, pastor of the Church of the Nazarene, officiated. Burial was in Hamlin East Cemetery under the direction of Foster Funeral Home.

Born Mar. 10, 1883, in Oklahoma Territory, she was a daughter of the late Mr. and Mrs. Sam Wilson. She was married to Henry Mashore in 1899 in Oklahoma Territory. In 1908 she was married to O. L. Maddox in Oklahoma. Both are deceased.

She was a housewife and a member of the Church of Christ. Survivors include two sons, Bill of Hamlin, Ewell of Weatherford; one daughter, Mrs. Myrtle Neal of Hamlin; 16 grandchildren and 12 great-grandchildren.

Pallbearers were C. D. Bond, Don Bailey, Herbert Crouch, Clarence Hyer, A. E. Killian and Benson Payne.

### Mrs. Thamez, 56, Dies Here Sunday, Rites Held Tuesday

Mrs. Leonor Thamez, 56, a native of Mexico and resident of Hamlin since 1958, died at 6:05 a.m. Sunday at Hamlin Memorial Hospital after a 10 month illness. She had been hospitalized two days.

Services were held at 2 p.m. Tuesday at Holy Trinity Catholic Church by Father Michael Dwyer, pastor of St. Ann Catholic Church of Stamford.

Burial was in Hamlin East Cemetery. Born May 11, 1915, in Monterey, Mexico, she was married to Manuel Thamez in San Antonio in 1928. She was a housewife and member of Holy Trinity Catholic Church.

Survivors include her husband, Manuel; nine sons, John, Tony and Joe, all of Minnesota, Valentine of Maryland, Louis of Grand Prairie, Steven of Dallas, Richard of Pennsylvania, David of Abilene and Tommy of Hamlin; three daughters, Mrs. Eugene (Olivia) Almanza of Hamlin, Mrs. Alex (Rita) Lemons of Hobbs, Tex., and Anna Thamez of the home. One son preceded her in death.

Other survivors include two sons, Pete Uresti of Antonio, Librado Uresti of Mexico; three sisters, Mrs. Jeusa Reyes, Lucinda Uresti, both of San Antonio, and Tina Uresti of Monterey, Mexico; and 31 grandchildren.

### Junior High Band Officers Elected

### Comeuppance for Creditors

Mrs. Olson was home alone when two husky men came to her door.

"We're from the appliance store," they announced, "and we are going to repossess your stove."

Despite her protests, they barged into the house, seized the stove, and carried it away—leaving soot stains all over the rug.

Understandably upset, Mrs. Olson determined to sue the store for damages. In court, the proprietor told the judge:

"Maybe my boys did get a little careless. I am willing to pay for cleaning her rug. But aside from that, she suffered no harm. After all, she was behind in her payments."

However, the judge held him liable not only for the rug but also for "punitive damages"—that is, extra damages imposed to teach him a lesson.

The law is taking an increasingly stern view of "rough stuff" by creditors in the repossession of merchandise. To discourage such tactics, most courts will award punitive damages to the debtor, over and above any actual harm done.

This is especially true when the repossession resorts to personal violence. Thus, a court awarded punitive damages to a housewife after her sewing machine was repossessed at the point of a pistol.

In another case, a furniture dealer told a widow she could have extra time to pay for her purchases because she had to have an operation. But while she was in the hospital, he broke into her house and decamped with the furniture. Here, too, a court found ample grounds for awarding punitive damages.

Nevertheless, the law does not frown on the basic idea of repossession. By giving the creditor a simple and speedy remedy against the delinquent debtor, it can keep down the cost of credit for other consumers.

Repeatedly, courts have found nothing improper when a repossessioner towed away a car parked in front of a debtor's house or even in his driveway. As one court pointed out, the seller is merely taking back — "without force, threats, or even stealth"—what is rightfully his.

### H & R Block Seeks Franchise Dealer In Hamlin

John Buechler, area manager for H & R Block in Abilene, indicated that there are plans for his company to open an office in Hamlin for the 1972 tax season, through an exclusive "Satellite" program.

Buechler explained that the Satellite Franchise program was developed to make available to every community a qualified tax preparation service. "Every citizen today needs competent help in the preparation of his tax return," Buechler stated. "A person just can't afford to be a once-a-year expert in this field."

Buechler cited many reasons for Block's rapid growth to over

5,000 offices nation-wide this year. "The Block Satellite program is designed to be compatible with existing service businesses such as insurance agencies, real estate brokers or bookkeeping services. The Satellite manager is provided with necessary training and supplies, along with direct supervision by the company."
